## Transport Form 2007

Due to civil litigation cases it became necessary to amend our policy regarding the provision/arrangement of transport for children to and from cricket matches. Papplewick and Linby Cricket Club can no longer accept responsibility for arranging these facilities for child players on behalf of parents/guardians.

Therefore parents/guardians will now have to take on this responsibility and ensure that they are happy with the transport arrangements which **they** have made for their child to get to and return from a cricket match.
